Dear Dan:

We are submitting this proposal to revise the existing System 4 spares for Requirement No. 3. All recommended changes have been coordinated with and approved by Bill D. These changes are itemized in the enclosed lists of additions, deletions, quantity changes and nomenclature changes. Affected by this proposal are System 4's Equipment Lists AA-X, Fly-Away Kit; BB-X, Depot Spares; and CC-X, SLOE.

Cost estimates are enclosed describing the requested net increase in the funding for each equipment list. A credit has been made for the items which you indicated would be Government furnished and for the items we recommended be deleted.

The total net estimated cost of providing these additional items for one Fly-Away Kit, List AA-X, is \$15,023, and the fixed fee of 8.25% computed on that amount is \$1,241. The net total estimated cost including fee is \$16,264, or \$32,528 for the two authorized Fly-Away Kits.

The total net estimated cost of adding the recommended items to one Depot Spares, List BB-X, is \$14,673, and the fixed fee of 8.25% computed on that amount is \$1,211. The net total estimated cost including fee is \$15,884.

The total net estimated cost of furnishing the additional items for one SLOE, List CC-X, is \$203, and the fixed fee of 8.25% computed on that amount is \$17. The net total estimated cost including fee is \$220, or \$440 for the two authorized SLOE's.

Sincerely,

Dean
